Coach/League Official,

Attached is the information for the 2018 Virginia State Pepsi USBC Youth Bowling Championships. Information includes cover letter, November qualifier form, State Level rules, and State Level qualifier form. Note that the State Level qualifier form requires bowler ID and not birth dates.

Optional Handicap Event returns again this season, in all divisions. Qualifying at the League Level is still by SCRATCH scores. If a bowler qualifies to advance to the STATE LEVEL and pays the Pepsi entry fee, he or she can then pay an additional \$10 to participate in the optional handicap side event in the same age division.

All divisions are based solely on the bowler's birthday, not their ages as of 1 August. See the dates in the rules. LEAGUE LEVEL qualifiers advance to the STATE LEVEL which will be held at AMF Hanover in Mechanicsville, Virginia outside Richmond. Dates will be as follows:

April 14 and 15

April 21 and 22

April 28 and 29

The champions in the U12, U15 and U20 divisions will advance to the Junior Gold Championships in Dallas in July 2018. Champions in the optional handicap divisions do NOT advance to the Junior Gold Championships.

If you have any questions, please do not hesitate to contact me. If you want a hard copy mailed to you, let me know also and I'll drop a copy in the mail. If you are no longer the proper contact for your center or league, please let me know and if possible, provide the new contact and their contact information.

Thanks for your continued support of this tournament. Information can be found at *either* <http://vastateusbc.com/> or <http://www.bowl.com/pepsiyouth/>. Check under -Informationøtab for links.
